Dear Debra,

We just wanted to thank you and your staff for a wonderful job on our event this past weekend. We have heard nothing but rave reviews on the food, service, presentation, and especially the cake!!!

I was very impressed with the professionalism and organization the entire staff had throughout the entire evening. We will surely recommend Hamby to anyone who may need your services. When planning an event there are many layers of stress and this was one component that was completely stress free.

Cheral was great to work with. She gave us excellent advice and guidance. My only regret is that I didn't eat!! The other organizer and I only had one crab cake, which was delicious, but you know how it goes when you are the hostesses.....

I think I mentioned to you that night we had a photographer at the event and will be happy send along some photos for you or put them on a disc.

Thank you again for a wonderful job.

Sincerely,

Kellen Correia
